WEEKLY NEWS

Aspiring to inspire others towards excellence

Summer Term – Edition 23 – 7th July 2023

Dear Parents,

I hope everyone has had a good week as we enter into the final two weeks of the academic year.

Firstly, I would like to extend my heartfelt gratitude to you and our entire school community as we welcomed the Ofsted inspectors this week. We appreciate your understanding and patience during the inspection period, and I would like to thank you and our whole school community for your support and positivity during this time.

The result of the inspection remains confidential for now; however, the final report will be made accessible to you by early September at the latest. Your patience as we wait for the report is greatly appreciated, and we are very much looking forward to sharing the outcome and inspection report with you.

Tomorrow, we keenly look forward to our Little Waltham Summer Fete. This event undoubtedly marks a high point in our school calendar with food, fun, and festivities. Our thanks go to our dedicated PTA, who worked tirelessly behind the scenes to make this event a reality. I would also like to thank parents for their contributions and support which has been instrumental in ensuring its success.

Looking ahead to next week, our rearranged Sports Day is on Tuesday morning. We know this will be a great community event and we hope to make it a day filled with fond memories for our learners.

Moreover, our 'Moving Up Day' will take place on Wednesday. We are excited to provide our children with a glimpse into their coming academic year and our learners will spend the morning session with their new teacher. Details regarding arrangements for the next academic year and staffing will be communicated via a letter early next week.

Lastly next Friday, our youngest learners from Reception will take centre stage for their class assembly to share their learning journey this year. We couldn't be prouder and we certainly can't wait.

I wish each one of you a pleasant and relaxing weekend. We look forward to seeing you all at the Summer Fete tomorrow!

This week's value is service.

Dear God,

Teach us to be thoughtful and kind like Jesus, putting others before ourselves.
Lord of the loving heart, may mine be loving too.
Lord of the gentle hands, may mine be gentle too.
Lord of the willing feet, may mine be willing too.
So I grow to be more like you in all I say and do.
Amen

This Week's Big Question

Is it always good to put others first?

Chestnut

Yes because, if you're both talking at the same time, you could let the other person talk- *Ivy*

Yes because, if you're in a group and someone doesn't let them join in, you should let them have a go-
Emelia

I think yes because if you have one slice of cake and there's three people, you can cut it into three pieces so you can all have a slice- *JJ*

Yes, because if there's one apple and there's two people, cut it in the middle and you can both have it!
- *Dakota*

Yes, because if you have a good word, tell someone and they can also use it- *Teddy*

Not always because if you give people your food, you would be hungry- *Reggie*

Maple

Some people put others first on the Titanic – *Joe*

Oak

Yes, because then they might do the same for you later in life – *Samuel*

Not if it could put you in danger – *George*

Yes, because it's not just you in the world and it is good to be nice to others – *Poppy*

Yes, it is good to make people feel special and loved and then they might do good back to you – *Saba*

Yes and no, because you should be caring about yourself and also caring about each other – *Jenna*

Sycamore B

Not all the time, it depends of if it is a life or death situation – *Mattie*

Yes and no because you need to care about yourself as well – *Lewis*

I think yes if you are being kind but also no if you put everyone else first you won't get your work done and won't have a chance to improve – *Libby*

Sycamore W

Yes, because if you help others, they will hopefully return the favour – *Grace*

You have to be careful because some people might take advantage of you – *Kelsey*

I'm in the middle- I would put my friends first but I would think twice about putting a bully or someone who hasn't earned my trust or respect, first – *Leo*
