Firstly, welcome to the new School year to all of our existing parents and to our new parents too. We hope your children are enjoying being back at school and for our new starters, the start of their new school journey.

Annual General Meeting

We have already come together with Mr Saunders, Staff and Parents for our Annual General Meeting which took place on 12th September 2023. This was a great opportunity to discuss the last academic year and all the events that were held by the PTA. We hope you agree, that last year brought some great events to the children and we plan to bring even more this coming year!

We took a look at the success of all of the events held, from the Summer Fete, to Mothers & Others, Fathers & Favourites, Inflatables Afternoon, just to name a few! The feedback we have received has been fantastic. Not only do they bring joy to the children of Little Waltham Primary School, they help the Charity to raise money, supporting the school with resources and contributions.

We would like to take this opportunity to thank Nikki Tutton for all her hard work and commitment in her role as Chair last year, we wish her well with her future commitments.

If you ever have any questions, feedback or ideas we would love to hear from you! Please do also get in touch if you are interested in joining our fabulous PTA, we have a great team of 'Planners' and 'Helpers' and you are welcome to participate in as little or lot, as you are able.
