# Aspiring to inspire others towards excellence

Spring Term – Edition 16, 10<sup>th</sup> May 2024

Dear Parents,

I hope everyone enjoyed the bank holiday weekend and you were able to make the most of the sunny days, the children have certainly enjoyed the good weather this week!

Tonight's 'Summer Disco' is proving to be a very exciting event; thank you so much to our amazing PTA for organising it — I am confident that the children will have a fantastic time!

Next week Ash class have a very exciting visit planned to Boydells Dairy Farm; this is a great opportunity for the children to get a real hands-on experience with the animals and learn all about caring for them and farming.

As we look ahead to next week I would like to take this opportunity to wish our Year 6 students all the best with their SATS exams, they have all worked extremely hard in preparation which I am sure will be evident.

Warm regards,

Mr. S. Saunders Headteacher

#### The BIG Question

Do you think everyone in the world has equal chances?

#### Chestnut

No, because we are all different but can still have the same views- Robin

Yes, because we can try and play the same things- Myla

Yes, because people can do the same thing even if they are different- Noah

No, because people think differently-Julia

Yes, because even though people are different, they can still do the same thing- Albert

No, because everyone is different, and they don't need to do the same things- Lilly

#### Elm

Yes, because if you do something wrong you get another chance. JJ

No, not everybody has money to buy things. Logan

If someone is poor and they live on the street they might not have money to survive. *Emelia* and *Freddie B* 

No because we all have different thoughts and hobbies. Teddy

#### **Sycamore**

Yes because no matter who you are, a different race or personality we are all unique and no one can change us – *Poppy* 

I think everyone has equal chances to succeed if they work hard for it – WIng-Sum

No because not everyone is treated equally because of where they come from or the way that they dress – *Michelle* 

Yes because it doesn't matter if they are not the same as you we can all be equal – Aiden

#### Willow W

No, because some people are victims of racism and bullying while other people are born into rich, powerful families and some are even bullies themselves. Not everyone in the world has equal chances – *Mmesoma* 

No, because some people get different chances. However, if people work really hard, they can make the most of their chances and change their lives – *Aras* 

It depends on the choices you make and the impact you have on others. If you are having a hard time, you need to learn you have equal rights, but you just haven't seen your worth and you deserve to do as well as anyone – *Kelsey* 

#### This week's value is wisdom.

#### Dear God,

Help us to make wise choices, when we are working in classes, when we are playing with our friends and when we are living in our homes.

#### Amen

If any of you lacks wisdom, he should ask God, who gives generously to all without finding fault, and it will be given to him. <u>James 1:5</u>
